However, there may still not be enough time available at the meeting to address all the questions raised. Please note that individual responses will not be sent to Shareholders.

A Proxy Form is attached to the Notice. The Proxy Form is to be used by Shareholders if they wish to appoint a representative (i.e. a 'proxy') to vote in their place.

All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend the Meeting in person, sign the Proxy Form and return it to the Company in accordance with the instructions set out on that form.

There is no requirement for Shareholders to approve the Annual Report.

At the Meeting, Shareholders will be given a reasonable opportunity to:

- (a) discuss the Annual Report which is available online from the Company's website www.manukaresources.com.au;
- (b) ask questions about, or comment on, the management of the Company; and

- (c) ask the auditor questions about the conduct of the audit, the preparation and content of the Auditor's Report, accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

In addition to taking questions at the Meeting, written questions to the Company's auditor if the question is relevant to:

- (a) the content of the Auditor's Report; or
- (b) the conduct of the audit of the Annual Report to be considered at the Meeting,

may be submitted no later than 5 business days before the Meeting to the Company Secretary by calling +61 (0)412 268 114 or by sending an email to admin@manukaresources.com.au.

3. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

3.1 General

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for Key Management Personnel.

The Remuneration Report has been sent to Shareholders who have made an election to receive the Annual Report. Copies of the Annual Report are available by contacting the Company's share registry or visiting the Company's website www.manukaresources.com.au.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is "advisory" only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report. However, Shareholders will have the opportunity to remove the whole Board (except the managing director) if the Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive AGMs.

Where a resolution on the Remuneration Report receives a Strike at two consecutive AGMs, the Company will be required to put to Shareholders at the second AGM a resolution (**Spill Resolution**) on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director) who were in office at the date of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2020 AGM. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2022 AGM, this may result in the re-election of the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on, the Remuneration Report.

Resolution 1 is an ordinary resolution, requiring it to be passed by a simple majority of votes cast by the Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

3.2 Voting on the Remuneration Report

Please refer to the voting exclusion statement set out in the Notice for the persons who are not entitled to vote on Resolution 1.

The Chair intends to exercise all available proxies in favour of Resolution 1.

If the Chair is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention, even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel (which includes the Chair) of the Company.

3.3 Board recommendation

The Directors recommend that Shareholders vote in favour of adopting the Remuneration Report.

4. RESOLUTION 2 – RE-ELECTION OF DIRECTOR MR DENNIS KARP

4.1 General

Mr Dennis Karp, the Company's Executive Chairman, was last re-elected as a Director at the Company's 2018 AGM held on 18th March 2020.

In accordance with Listing Rule 14.4, no Director may hold office (without re-election) past the third AGM following the Director's appointment or 3 years, whichever period is longer. Clause 13.3 of the Constitution also requires that there must be an election of Directors at each AGM. Accordingly, Mr Karp will retire by rotation and being eligible, offers himself for re-election.

Resolution 2 is an ordinary resolution, requiring it to be passed by a simple majority of votes cast by the Shareholders entitled to vote on it.

4.2 Qualifications, experience and other material directorships

Mr Dennis Karp commenced his career in the Australian financial markets in 1983. He was the Head of Trading at HSBC Australia prior to joining Tennant Limited in 1997, a substantial Australian domiciled physical commodity trading company with operations in Asia and Europe. He was a principal shareholder of Tennant Metals until 2010 and managing director from 2000 until December 2014. Mr Karp founded ResCap Investments Pty Ltd in December 2014.

Over the past 10 years, Mr Karp has been involved in various resource projects and investment opportunities in base metals and bulk commodities which have had marketing rights attached.

Mr Karp holds a Bachelor of Commerce from the University of Cape Town. Mr Karp has not held any former directorships in other listed companies in the last 3 years, and neither does he hold any others currently.

Further information in relation to Mr Karp's expertise and experience, as well as in relation to his current relevant interest in relation to the Company's existing securities, can be found in the Annual Report.

4.3 Board recommendation

The Directors, other than Mr Dennis Karp, who has an interest in the outcome of Resolution 2, recommend that Shareholders vote in favour of Resolution 2.

5. RESOLUTION 3 – APPOINTMENT OF AUDITOR

5.1 General

The Company's auditor, Grant Thornton, has sought consent from ASIC to resign as auditor of the Company pursuant to section 329(5) of the Corporations Act. As of the date of this Notice, ASIC consent for the resignation has not been received.

Resolution 3 is subject to ASIC consent being obtained before the Meeting. If ASIC consent is obtained before the Meeting, the Board of the Company will, pursuant to section 327C(1) of the Corporations Act, appoint Ernst & Young of 200 George Street, Sydney, NSW 2000 as auditor of the Company to fulfil a casual vacancy.

Under section 327C(2) of the Corporations Act, an auditor who has been appointed under section 327C(1) of the Corporations Act only holds office until the company's next annual general meeting.

Pursuant to section 328B of the Corporations Act, the Company received a valid notice of nomination which nominated Ernst & Young to be appointed as the new auditor of the Company. A copy of the notice of nomination is set out in Annexure B of the Notice.

Ernst & Young has provided the Company its written consent to act, subject to Shareholder approval being obtained, as the Company's auditor in accordance with section 328A(1) of the Corporations Act.

Accordingly, subject to receipt of ASIC consent in relation to the resignation of the Company's outgoing auditor, under Resolution 3, Shareholder approval is being sought to appoint Ernst & Young as the auditor of the Company.

5.2 Board recommendation

The Directors recommend that Shareholders vote in favour of Resolution 3.

6. RESOLUTION 4 – INCREASE IN NON-EXECUTIVE DIRECTORS' FEES

6.1 General

In accordance with ASX Listing Rule 10.17, the limit on total aggregate remuneration that may be paid to non-executive directors is fixed by an ordinary resolution of securityholders to be considered at a general meeting.

The Directors are seeking Shareholder approval to increase the maximum amount of fees that may be paid to non-executive Directors by \$60,000 per annum (i.e. from \$180,000 per annum to \$240,000 per annum).

The current maximum amount of \$180,000 was approved by Shareholders at a general meeting of the Company in 2016 (i.e. well before the Company was listed on ASX).

The proposed new maximum amount takes into account the time since the limit was agreed by Shareholders, changes in the responsibilities of non-executive Directors, a potential increase in the number of non-executive Directors, all while continuing to maintain a fee buffer.

The total fees paid to non-executive directors in the financial year ended 30 June 2021 was \$90,000. There have been no securities issued to non-executive directors under ASX listing rules 10.11 or 10.14 during the period from listing to now. The Company currently has 2 non-executive Directors and the increase will allow the Company flexibility to appoint additional non-executive Directors while retaining an appropriate fee buffer.

6.2 Board recommendation

Given the non-executive Directors' potential financial interest in outcome of Resolution 4, the Board makes no recommendation in relation to Resolution 4.

7. RESOLUTION 5 – APPROVAL OF ISSUE OF OPTIONS TO DR NICHOLAS LINDSAY

7.1 General

Resolution 5 seeks Shareholder approval for the issue of 300,000 Options (the terms of which are set in Annexure A) to Dr Nicholas Lindsay (or his nominee).

7.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of options constitutes giving a financial benefit to Dr Lindsay whom is a "related party" of the Company because he is a Director.

The Directors (other than Dr Lindsay who has a material personal interest in the outcome of Resolution 5) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of Options because the agreement to issue the Options, reached as part of the remuneration package for Dr Lindsay (or his nominee) is considered reasonable remuneration and was negotiated on an arm's length basis.

7.3 ASX Listing Rule 10.11

ASX Listing Rule 10.11 provides that unless one of the exceptions in ASX Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- **LR 10.11.1:** a related party;
- **LR 10.11.2:** a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;

8.1 General

Resolution 6 seeks Shareholder approval for the issue of 300,000 Options (the terms of which are set in Annexure A) to Mr Anthony McPaul (or his nominee).

8.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

The Directors (other than Mr McPaul who has a material personal interest in the outcome of Resolution 6) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of Options because the agreement to issue the Options, reached as part of the remuneration package for Mr McPaul (or his nominee) is considered reasonable remuneration and was negotiated on an arm’s length basis.

8.3 ASX Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in ASX Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

9.1 General

Resolution 7 seeks Shareholder approval for the issue of up to 500,000 Options (the terms of which are set out in Annexure A) to Mr Dennis Karp (or his nominee).

9.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

- **LR 10.11.4:** an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- **LR 10.11.5:** a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX’s opinion, the issue or agreement should be approved by its shareholders, unless it obtains the approval of its shareholders.

9.6 Board recommendation

The Directors, other than Mr Dennis Karp, who has a material financial interest in the outcome of Resolution 7, recommend that Shareholders vote in favour of Resolution 7.

10. RESOLUTION 8 – APPROVAL OF MKR INCENTIVE PLAN

10.1 Background

Resolution 8 seeks Shareholder approval of the Company’s proposal to adopt the “Manuka Resources Limited Omnibus Incentive Plan” (**MKR Incentive Plan**) for the purposes of ASX Listing Rule 7.2 (exception 13(b)) such that future issues of equity securities by the Company under the MKR Incentive Plan will not reduce the Company’s available 15% placement “capacity” under ASX Listing Rule 7.1. The Company is also seeking Shareholder approval of the MKR Incentive Plan so that it may avail itself of the benefit of certain sections of the Corporations Act, as noted below in sections 10.4 and 10.5, should it wish to in the future.

A summary of the terms of the MKR Incentive Plan is set out in Schedule 2, and a full copy of the rules of the Incentive Plan is available upon request from the Company.

10.2 ASX Listing Rules

Broadly speaking, and subject to a limited number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

If Resolution 8 is passed, it will have the effect of enabling securities issued under the MKR Incentive Plan within the next three years to be automatically excluded from the formula to calculate the number of securities which the Company may issue in any 12 month period in ASX Listing Rule 7.1.

The Company notes that Shareholder approval has not previously been sought for the MKR Incentive Plan under the ASX Listing Rules and nor have any securities previously been issued by the Company under any incentive scheme of the Company. Accordingly, this would be the first time that the Company has sought Shareholder approval for any incentive plan.

If Resolution 8 is passed by Shareholders, the Company will be able to issue up to a maximum of a total of 13,467,685 securities under the MKR Incentive Plan during the three-year period following that approval without reducing the Company’s available placement “capacity” under ASX Listing Rule 7.1.

The Company wishes to adopt the MKR Incentive Plan to give it the flexibility to grant awards of securities on terms that it believes are appropriate to eligible participants of the MKR Incentive Plan so that it may incentivise those eligible participants and seek to retain them in what is generally a very competitive job market in the mining & resources industry.

10.3 Shareholder loans

The Board may, in its absolute discretion (but subject to Shareholders passing Resolution 8), also determine that the Company will provide limited recourse loans to eligible participants under the MKR Incentive Plan to enable them to finance the subscription price for the purchase of each “Loan Share” (as that term is defined in the MKR Incentive Plan).

10.4 Exemption for financial assistance

Section 260A of the Corporations Act provides that a company may financially assist a person to acquire shares in the company or a holding company of the company only if:

- giving of the assistance does not materially prejudice the interests of the company or its shareholders, or the company’s ability to pay its creditors;
- the assistance is approved by shareholders under section 260B of the Corporations Act; or

- the assistance is exempted under section 260C of the Corporations Act.

Section 260C(4) of the Corporations Act provides an exemption to financial assistance, if the financial assistance is given under an employee share scheme approved at a meeting of shareholders via an ordinary resolution.

Since the Board does not consider that the giving of financial benefit under the MKR Incentive Plan will materially prejudice the interests of the Company or the Shareholders, or the Company's ability to pay its creditors, Shareholder approval is being sought under Resolution 8 to enable the Company to qualify for the special exemption offered by section 260C(4) of the Corporations Act should it in the future wish to rely on this exemption.

10.5 Employee share scheme buy-back

Section 257B(1) of the Corporations Act sets out the procedure for various forms of share buy-backs, including an "employee share scheme buy-back". In order for the Company to undertake a buy-back of Shares under the MKR Incentive Plan (should it in the future wish to) using the employee share scheme buy-back procedure under the Corporations Act, the MKR Incentive Plan must be approved by Shareholders of the Company. Accordingly, Shareholder approval is also being sought pursuant to Resolution 8 to approve the MKR Incentive Plan to allow the Company to undertake a future buy-back of Shares under the MKR Incentive Plan, should it wish to, using the employee share scheme buy-back procedure under the Corporations Act.

10.6 Board recommendation

The Directors recommend that Shareholders vote in favour of Resolution 8.

11. FURTHER INFORMATION

The Directors are not aware of any other information which is relevant to the consideration by Shareholders of the proposed Resolutions set out in the Notice.

The Directors recommend that Shareholders read this Explanatory Memorandum in full and, if desired, seek advice from their own independent financial or legal adviser before making any decision in relation to the proposed Resolutions.
